

1 MR. CASE: Or to take it away.

2 MR. SCANLAN: Certainly.

3 MR. CASE: So, what you are doing in effect,
4 you are seeking now reversal of the Commission's former
5 decision?

6 MR. SCANLAN: I thought we had that out by
7 agreement of the Chair.

8 MR. CASE: I want everybody to know what is
9 happening. It should be made clear.

10 DR. BARD: Say that again.

11 MR. CASE: What you are doing, in effect, is
12 reversing a decision which the Commission earlier made
13 with its 13 to 11 vote.

14 MR. SCANLAN: I am not sure what the decision
15 was. You have interpreted one way. The Chair has ruled.
16 I am not in charge of points of order. I answered your
17 substantive question. Yes, the General Assembly would
18 have the power to increase autonomy, let it remain the
19 same, or cut it back.

20 MR. CASE: So that you are, in effect, this
21 motion does reverse the action of the Commission earlier
